UNINSURED MOTORIST

I acknowledge I have been offered Uninsured and Underinsured motorists coverage up to the limit(s) of my bodily injury liability coverage. I have selected the limits indicated in this application.

I understand that the automobile insurance that I am buying includes an amendment which states that if I have a loss to a vehicle and am paid for that loss but don't actually repair the vehicle, any subsequent losses will be paid with the cost of the damage associated with prior losses being deducted.

I understand that the coverage selection and limit choices indicated here will apply to all future policy renewals, continuations and changes unless I notify you otherwise in writing.

I authorize any prior insurance company to release all of my claim information to the insurance company to whom I am applying.

This application is not an insurance binder. I understand that no insurance is bound and no insurance is in effect until this signed application is approved by the insurance company to whom I am applying, or by an agent authorized by them. I agree that if this application is approved and a policy is issued by the company, I will immediately notify the agent or company of any changes in my business or operations.

I am aware that my business may be inspected and/or audited by the insurance company or their representative.

I understand that the coverage offered by this application **does not** include Workers Compensation Coverage.

I declare to the best of my knowledge that all statements herein are true and that no facts have been altered or deleted. By signing below I agree to the choices I have made on this application.
