MOTORCYCLE INSURANCE COVERAGE REJECTION OF PERSONAL INJURY PROTECTION

Under Minnesota law, a policy of motorcycle coverage issued in the State of Minnesota must provide liability coverage only, and there is no requirement that the policy provide personal injury protection (PIP) coverage in the case of injury sustained by the insured. No PIP coverage provided by an automobile insurance policy you may have in force will extend to provide coverage in the event of a motorcycle accident.

Coverage is generally described here. Only the policy provides a complete description of the coverages and their limitations.

I understand these coverage selections or rejections will apply to all future renewals, continuations and changes in my policy unless I notify you otherwise in writing.
